Choo-Choo Charles: Friends Survival is a new horror game with a popular character from indie video games, a combination of a train and a spider that just wants to eat you and your friends in this game, something you will try to stop at any cost, and something we will now teach you how to do!

Help the survival of friends against Choo-Choo Charles!

You will have your own train, with your friends, from where you shoot the cannon at Choo-Choo Charles as he is chasing you, but other smaller monsters as well, which are also sent out by him. The more you can survive by shooting the foes, the more points you get.

Use them to upgrade weapons as well as abilities, which can sometimes be granted to you from the game when you reach new checkpoints. If you die, try again, and see if you can survive longer next time, as you keep on shooting away at the spider monsters.

Between levels, upgrade your train's capabilities in the following areas:

attack speed

damage

health

support

It's crazy fun, literally, so let's start

right now, after which we hope to see you try out more of our daily games, you can never go wrong with the content we share with you!
